## *Création d'un curriculum vitae*

The image is a composite of two parts. On the left, a person's hands are shown working on a large, light-colored fabric spread out on a surface, possibly sewing or mending. On the right, there is a digital representation of a resume or curriculum vitae template. The template has a light brown background with a decorative floral pattern at the top. It includes sections for 'COORDONNÉES' (with icons for phone, email, and location), 'MES ACQUIS EN BUREAUTIQUE ET EN INFORMATIQUE' (listing software like Word, Excel, Powerpoint, Mail, Outlook, Canva, Wix, etc.), 'COMPÉTENCES' (listing skills like travel, organization, communication, etc.), 'CENTRES D'INTÉRÊT' (listing interests like aqua-aquarium, meditation, walks, etc.), 'MOYENS DE TRANSPORTS' (listing modes of transport like public transport), 'PLANS D'EMBAUCHES' (listing job applications like 'IMPULSION >25, P.F.L, CESAM, A.P.E.'), and 'EXPÉRIENCES PROFESSIONNELLES' (listing various jobs with dates). There are also sections for 'ÉTUDES ET FORMATIONS' and 'PROJETS'. The resume is presented in a clean, organized layout with a mix of text and small icons.
